THE SECURITY OF WORLD-CLASS CUSTOMER SUPPORT

When you become a ProSystem fx Power User, your firm is in good hands. Dedicated, skilled professionals are available to support you at every turn. The Power User Support Team is:

- Dedicated and trained to specifically maintain Power User accounts. This dedicated, reliable group will ensure all of your support needs are met in a timely, professional manner.
- Built to deliver top-priority call-back response, so that you get the attention you need. In fact, the ratio of Power Users to support representatives is optimized to help ensure your phone call is answered within a few rings.
- A group that includes CPAs, certified network engineers, and other tax and accounting professionals who take pride in providing the highest possible levels of customer service.

In essence, the ProSystem fx Power User Program is designed to meet your firm's complex needs for serving individual and business clients.

COMPREHENSIVE TRAINING ENSURES PRODUCTIVITY

Investing in training has been proven to directly result in improved productivity. With the ProSystem fx Tax – Power User Program, dedicated training specialists are available to help you every step of the way:

- As a new customer, you receive new user onsite training – conducted in your office – by a expert ProSystem fx software consultant.
- As a part of your contract, three Key Tax Coordinators for your firm will receive a complimentary pass to our annual Tax Update seminars.

SUPPLIES AND DISCOUNTED CENTER SERVICES

In addition to the support, training and productivity tool benefits, your firm can take advantage of numerous value-added opportunities as a ProSystem fx Power User, including:

- Tax Instruction Guides, and all other necessary supplies provided for each of your Key Tax Coordinators.
- Discounted pricing on all returns transmitted to one of our processing centers for printing. This service is very popular for printing large partnership and consolidated corporation tax returns.
- A discount on service bureau processing of tax returns – an ideal service for “Partner of the Firm” returns and other highly sensitive client returns.
- FREE electronic data conversion, moving your tax data files from other major software to the ProSystem fx Tax format.

THE BENEFITS OF A SIMPLIFIED PAYMENT PLAN

The Power User Program offers three convenient payment options, so you can choose the one that best fits your firm’s needs:

- Extended-year price protection, based on the contract you choose.
- Twelve equal monthly installments, with a low initial deposit.
- Multiple-year contract, with initial deposit waived for second and subsequent years.
