## International Tax Solutions

Access a whole world of in-depth coverage that you can't get from any other source.

Leading CCH International Content • Primary Source Materials • Treatises • News and Updates • Commentary

CCH international tax solutions combine key international content with advanced technology and the latest tax information. We provide the most current, customized and intuitive international tax resources in the industry. Around the world, we have it covered with different leading Internet library options.

Only CCH international tax solutions offer you both views of international tax: U.S. taxation of international transactions, or foreign persons and taxation within other countries or regions. These resources combine authoritative content from CCH, primary source material, news, commentary, treatises and, in many cases, advice from trusted experts in the industry. It's the complete international coverage you need to provide your clients with the right answers, every time.

### STAY ON TOP OF CURRENT TAX RATES AND LAWS AROUND THE GLOBE

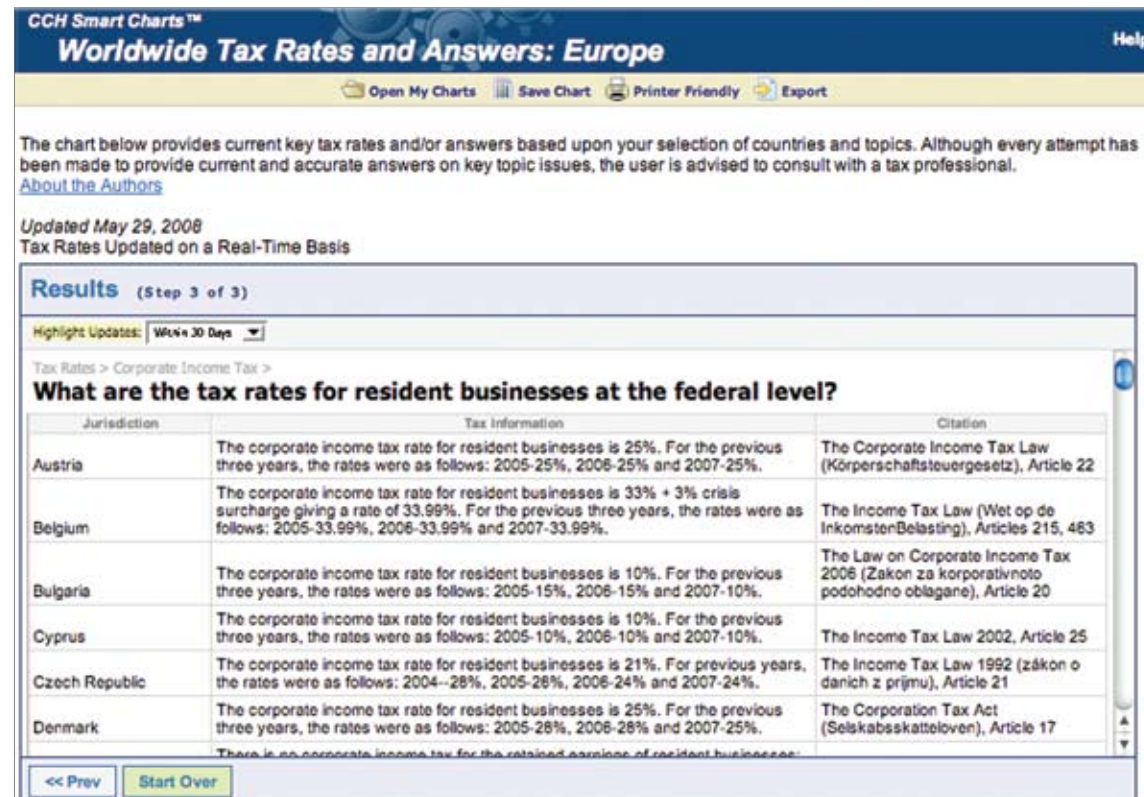

Worldwide Tax Rates and Answers libraries are unique tax compliance and research solutions that provide you with immediate access to real-time, country-specific, national and local tax rates. Also included are current forms and instructions in both their original language and fully translated into English for 90 countries. Only CCH brings you this level of coverage.

In addition, Worldwide Tax Rates and Answers libraries include up-to-date questions and answers to key country compliance issues. Presented in a unique "answer-oriented" format, Worldwide Tax Rates and Answers uses *Smart Chart*<sup>™</sup> technology for easy country-by-country comparisons.

There are a wide variety of options available to suit your needs. Customize your selection of countries to fit your individual needs or purchase regional bundles of countries, such as the European Union, Central and Eastern Europe, Emerging Markets, The Americas, Asia-Pacific and the Middle East and Africa.
